# BLAST**X**®

Antimicrobial Biofilm Wound Gel

HOW TO APPLY
BLAST**X**® Antimicrobial Biofilm Wound Gel

Step 1 Cleanse

Gently cleanse the wound as directed by your healthcare professional.

Step 2 Apply BlastX®

Apply BLAST**X**® directly to the wound, about 3 mm thick, covering to the wound edge.

Step 3 Cover

Cover with appropriate dressing. Reapply BLAST**X**® with each dressing change. Do not use alginates. Continue to use BLAST**X**® until healed.
